

Virginia Tour Guide Scholarship

From: <https://www.thezebra.com/virginia-car-insurance/#scholarship>

At The Zebra, we know better than most just what a pain buying car insurance can be. We also know that students suffer from higher-than-average policy rates. Talk about a double-whammy. That's why, this year, we've decided to continue The Zebra's annual scholarship with the goal of helping to alleviate the financial pressures of college-bound students in Virginia, while also getting an insider view of the Old Dominion State.

Prompt

So, students, we want to see your favorite road trip destination(s) in your state— from your unique perspective. If it makes sense to hit the open road and be our virtual tour guide, that's great! But there are no limits to what we're looking for: a narrated animation, a slideshow of memorabilia, an illustrated map of the best roadside attractions on the way. This is a chance for you to showcase any place you love in as an original way as possible.

How do I choose a location?

The length of the road trip to your feature destination is inconsequential. So if you have an awesome spot in mind that's just two miles from home, we want to see it.
